## Other information

1. Upon your registration you will receive an invoice with all details and bank account information. A down payment of 500,00 Euro makes your inscription valid. The whole amount to be paid is due the latest on 15th March 2020. For bookings after that date, the whole amount has to be paid immediately without further delay.
2. In case of cancellation from your side, payments can not be refunded. We therefore highly recommend to register for a cancellation assurance.
3. Alternatively, you may also transfer your holiday to someone else. If you wish to do so, please contact [hello@akosia-dancing.com](mailto:hello@akosia-dancing.com)
4. It is our responsibility to provide the workshops you have signed for and make all the arrangements for the social events which are part of the program. In case of force majeure we nevertheless reserve the right to adapt and modify the program.  
We can – and will – provide assistance outside of the course – but it is not our duty. We are not responsible for flights and other transport, travel and event arrangements outside the program published on our site. We are also not responsible for other travel arrangements that might be necessary, such as visa requirements, depending on your country of origin. You are responsible of having all the necessary documents in place to enter the country: valid passport, visa etc.
5. For all other arrangements you may have made and which are not included in the price of the trip (flights etc): check the refund policy directly with the companies you booked with.
6. We reserve the right to alter slightly the class program.
7. By registering for this course participants grant permission to be filmed, recorded or photographed; they may appear on material then used for marketing or promotional purposes without compensation.
8. Timekeeping will be crucial and we will expect participants to arrive on time and ready to start the workshops straight away.
9. Filming classes is prohibited – however, you will have the opportunity to film your teachers performing the steps, moves and sequences taught in each class at the end of each workshop.
10. All participants will need – and are responsible for getting – adequate travel and health insurance so as to be fully covered in the event of an accident. Do check carefully what is covered by your insurance and, if you have any concerns, speak to your insurance company prior to travel.
11. In the event of an accident or if you get ill whilst on our course in Havana, please make sure you let the organisers know straight away so they can help you with any immediate re-quired assistance. You will be given a list of contacts and phone numbers closer to the departure date.
12. To help us adapt and meet the needs of all students, we will be asking for feedback at various points during the course and would be very grateful if you could participate. We will appreciate any other comments and feedback you wish to send us.
